January 2009

Dear Specialty Retailers & Valued Customers:

Thank you for starting off another year with PlanToys! We are thankful for your continued support and appreciation of our Green vision.

As many of you are aware, the toy industry is undergoing many changes this year. The Consumer Safety Protection Improvement Act of 2008 has placed many new regulations in place. We have provided convenient, easy-to-access electronic copies of our Certificate of Compliance on the PlanToys website in cooperation with these new regulations. You can access these documents by clicking on [Test Reports](#) under **Customer Service/Safety News** on the menu.

Please note that PlanToys will not be shipping any product from **March 1<sup>st</sup> to March 15<sup>th</sup>** due to annual inventory control. We apologize for any inconvenience and encourage all customers to forecast their product needs beforehand.

PlanToys is pleased to announce the shipping of new 2009 product beginning March 16<sup>th</sup>. You can preview these beautiful new toys online or in your new 2009 catalogs. Catalogs can be requested via the [Contact Us](#) form under **Customer Service**.

Retailers are also invited to take a look at **special discounted offers** from PlanToys. We have a number of high quality, discontinued items that are available at a highly discounted price. This offer is valid until supplies run out.

PlanToys thanks everyone again for their continued support. Please continue in promoting a Green, Safe & Smart lifestyle!

Sincerely,

Nittaya Zeugfang
